There were no previous minutes and the treasurer's report had already been circulated. The web manager reported views of our website are down – but expected to go up again with the return of the season. Tom indicated that we need about four more tables for the sectional. We will either find them among our members or buy them.

The board agreed to accept the proposal appointing Susan Greenleaf as Education Chair, Starting lessons and/or supervised play at 11:30 am on Tuesday's and encouraging students to stay and play in the regular game. Susan will collect \$5 from each student and that will be hers. She also will have a free play if she plays with one of the students at the regular game that follow the session. Students will pay the regular game fee if they play in the game that follows

The board decided the date for the annual meeting will be November 14.

The Board agreed to appoint Janet Laudenslager as chair of the nominating/elections committee. She will ask Carolyn Holcomb to serve with her. They will be seeking candidates for Secretary and Member at Large.

Our holiday party will be scheduled for December 10. The club will buy a ham for the party and the rest will be pot luck.

These dates and the nominating committee appointment will be posted on the website.
