

Committee Meeting G.G.C 07/07/2025
17.30.

Present..... SH. TH. CH. LS

ApologiesJT. NC.

Minutes from previous meeting..... SH mentioned why he changed some of the wording from the previous meeting minutes. LS suggested we ask re a summer buffet in 2026.

No other matters arising. Proposed by LS seconded by TH

Treasurers Report... TH said the current balance is £3758.25 A healthy balance .. LS asked if the Club insurance had been paid. It was paid in April.

Chairs Report... The smaller games room worked well for play when the main room was unavailable. We can accommodate 7 tables in there.

SH says slow play seems to be under control, and he will continue to monitor and an average will be given in the event of a slow table.

The club numbers are holding steady and as a club have a minimum of 7 tables most weeks.

A.O.B.... TH stated he has not as yet ordered new table, but plans to order 4 new ones if that is agreeable . All agreed and he will purchase 4 new ones.

CH. Topcats charity, the first of our local charities to benefit from the club were very pleased with their donation of £100 from us.

CH will also talk to the catering to sort a date for the xmas night.

TH. Suggested that we maybe could do something in the way of a competition/s as we have some lovely trophies stored away.

Need to look at what has been played in the past.

Possibly approach JT & NC to see if they will coordinate a competition event.

TH commented on the movement of boards during play. It is the responsibility of North to control the boards and pass them on at end of play.

Some players are still leading their partner during play, and table talking. This is to be monitored.

Etiquette cards will be put out on the tables as a gentle reminder.

At present we have 2 sitting tables on a Monday night.

'Break' will be our next charity to receive a donation.

Next meeting is Monday 29th September @ 17.30.

No further business.

Meeting closed at 17.50
