

Committee Meeting GYBC.
14/03/2023 @18.30
Gorleston Golf Club.

Present. SH. CH. TH. AT. NC

Apologies. LS.

Minutes. There were no matters arising from the January minutes. Proposed by TH Seconded by CH

Treasurers Report. TH reported a healthy balance of £4284.70. Forthcoming bills to be paid are EBU, and the Affiliation costs.

Player Suspension. The 6 month suspension of a club player is due for review before April . There has been some feedback from club members regarding the return of the player ,stating they would be reluctant to play if this person was to be allowed to return. LS sent a message saying she felt a return should be allowed. A discussion followed and the committee's main view was 4-2 against a return. An EGM was also discussed with the possibility of a secret vote and proxy votes for anyone unable to attend the meeting.

A.O.B. TH suggested offering some remuneration to RR for the work he does with the dealing of the boards on a weekly basis. This was agreed by all & SH stated he would talk to RR before the next evening of bridge.

TH asked that we consider replacing the router and or the laptop when they stop working. SH said that the tech people had said the laptop could be speeded up, costing approx £150.00. The committee agreed to look into purchasing new equipment when needed.

CH suggested as the club is continuing to grow we might want to consider a drinks list for the interval if we get over 7 tables, in order to keep the break to 10 minutes. .
