

Great Yarmouth Bridge Club

Committee Meeting.

Gorleston Golf Club.

05/05/2022 @ 18.30pm

1)... Present. SH, CH, TH, LS, NS, AT.

2)...Apologies. None.

3)... Minutes. AGM Minutes ratified.

No Matters arising from January Committee Meeting.

4)...Treasurers Report. TH., stated the balance was £3811.37 .

There was £80. table money to be paid in and payments to the G.Y.G.C. of £200 for room rent, and 2 bills to the EBU,for £27.00 & £40.02.

The balance is healthy, due to a donation of £2176.85 from Ormesby bridge club, for which A.W. was thanked at the time of presentation.

5)... Table Money., At the AGM it was voted by all to increase the table money to £4.00 per night due to the financial situation then of the club.

It was suggested by TH at the committee meeting that the money be reduced now that the club was in a good financial position. A discussion by the committee followed and it was agreed to leave table money at £4.,with a proviso that it be reviewed again at the next AGM

6)... Competitions. It is felt that now the club is stable it would be a good idea to resume some competitions. P.W. has offered to help with the setting up of these.

SH will ask PW to be tournament secretary.

SH commented also that SC has not been in touch at all regarding any competitions.

7)...A.O.B. CH suggested using RR and PW as TD;s during play, both have offered their services. Also RR will help with TD duties if he,s playing.

Following a phone call from a member re the previous nights play, when a score was wrongly entered ,despite East querying this. SH stated that unless its queried and needing to be changed at the time of play, the score will stand as it shows on the tablet.

There was a query during the previous evening regarding the TD needing to change another score. The TD was asked if he should be looking at the score if he had not played the board.

SH stated that he is allowed to change to score as he would not have seen any cards in play.

TH stated he spoke to the man responsible for the club room maintenance at the golf club regarding closing the doors to the area of play as the summer season approaches and more golfers will be using the club house. There is no problem with us using WD40 to ensure the doors runs smoothly on its runners.

LS,CH,PW to learn how to set up the computer etc for the evening play.

TH has found a new movement for 5 tables which involves playing 27, instead of 24 boards, but with no sharing of boards.

This will be trialed to see how the club feels about it.

Next committee meeting 12/07/2022. at G.G.C.

Meeting closed at 19.10
