Welcome

Latest News:

September & October:

We have experimented with both live and online sessions during September and we will now continue to offer both live and online sessions every Friday, and online sessions only every Tuesday.

Winter Months:

With the success and popularity of our online sessions using RealBridge, we have decided to make this a regular **seasonal** offer. March to October each year will be live bridge at the Hadley Wood Centre; November, December, January and February each year will be online only using RealBridge.

We are a friendly, yet competitive, bridge club affiliated to the EBU. We meet every Tuesday and Friday evenings, play commences at 7.30pm.

We ask all members and visitors to arrive (or log in) at least 15 mins before play commences. We would welcome new members - our contact details and other information are on our **About Us** and **Contact Us** pages. Why not e-mail us or give us a call.

Future games. If there is a green link that will take you to the RealBridge login.

Past games. Click on the date to go to the Results page.

The website may be considered as two distinct sections, public and private.
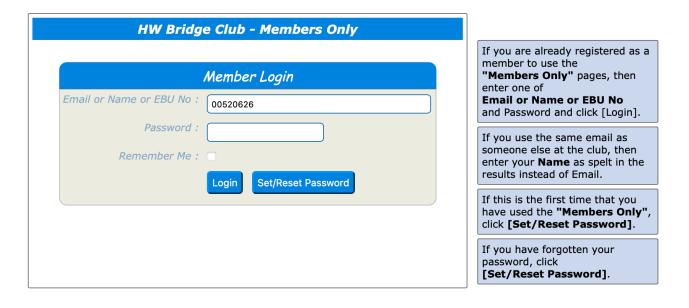

Public section

This is what you see each time you visit the website. This is open to everyone, no login is required. This <u>Home Page</u> shows a calendar of future sessions, results of previous sessions, and much more.

The analysis of the results of previous sessions is particularly useful, enabling you to look in detail at particular hands, see how others bid and played the cards, and learn from things that either went well or went badly.
