

Accessing boards results

When you have finished playing on BBO if you click on the "History" tab, then "Recent tournament's" it will give you a list of all the sessions you have played in. Click on a session, then a board and it will show you the hands and the bidding if you then click "Next card" it will play the cards in the order they were played. Results will also be available on the club's website and Pianola, but this could take up to 30 minutes after the session has ended.
