

# Finding a Partner

## Part 3a BBO

If you have followed Parts 1 and 2 of Finding a Partner (or even if you haven't you can still do part 3) you will know how to get notified by email when someone else posts an advert on Pianola looking for a partner, and how to post your own advert. But what if you still haven't found a partner? In the words of Douglas Adams "Don't Panic" all is still not lost. If the session is on BBO.

- 1) About 15 minutes before the start of the session login to BBO.
- 2) Click on "Competitive" then "All Tournaments".
- 3) Type "hx" into the Search at the top then click on the HxBC session (not the blue box).
- 4) Click on the "Partnership Desk" tab.

- 5) Either invite someone who is already there to be your partner or put yourself on the Partnership Desk by clicking on the "Add your name" button.

- 6) If the session starts with a half table and you still don't have a partner, the Director can bring you into the session and you can play with a substitute which may be a robot, so be ready to accept an invite.
- 7) If the session starts with full tables and you still don't have a partner then we're sorry, but we have done everything we can.
