

HARRISBURG BRIDGE CLUB - 2ND FRIDAY OF THE MONTH
BRIDGE PEARLS to Master **February 13, 2026 9-11AM**

Understanding Your Convention Card

Your convention card is the key to communicating with your partner during the bidding and while on defense. This card contains information about your partnership agreements and is a valuable part of your game.

Filling out a convention card requires an understanding of what each item means. You and your partner must discuss each category and decide what agreements you will use in each category. If you don't, bidding and defensive signals will not be clear to your partner which will affect your game.

In this workshop, we will review the card and talk about the options available.
