

Dear Member.

There are still a few places if you would like to play in the National handicapped pairs event at the club on Sunday. Sign up on the website if you are free and want to play. Tea and cakes from 1pm, play starts at 1:30.

The next heat of the Swiss pairs is on Friday the 25th of September.

Wednesday the 7th of October is the next, ever popular multiple teams session.

The Great Northern swiss pairs takes place in Leeds on the weekend of the 3/4th of October.

There is a 9 high comp on Saturday the 3rd.

Since the Thursday afternoon session has changed to a normal yet "gentle" duplicate they is no longer a host! There are various ways to find a partner for this session, there is a what's app group or you could use the "partner finder feature" on pianola.

We didn't want to be without a "stepping stones" session for those who are still leaning the game and don't want a full session on the clock etc so there is a new stepping stones on Wednesday mornings starting at 1015, so please be seated by 10am where only 16 boards max are played in a relaxed bridge environment and the clock is not enforced, it should be finished by 1245. This session is hosted!

Looking further ahead, the final Andrew Robson seminars are at Oakdale on Friday the 9th of October along with slightly different topics at Wetherby and York on the 8th and 10th. It's even easier to get a Bernard Magee seminar, he will be at Hutton Wandesley stables on Tuesday 1st of December.

We will be starting an autumn set of our own seminars. It will be suitable for all intermediate players on a mixture of topics but will concentrate a lot on play rather than new conventions and will be on a Saturday morning! Keep your eye on the website for when these start!

Make sure your all agree the number of tricks made at the end of the hand before picking up your cards and shuffling them before putting them back in the board.

See you all soon.

Rob
