

RealBridge Joining Instructions

Do look at the RealBridge website. You will see a guide, and some annotated screenshots. <https://realbridge.online/>

By reading the website guide, you will understand a bit about how RealBridge works, and you will enjoy the event more, because you can use the settings and media controls.

If you are a tablet user, we suggest that you use “Simplified cards”.

If you are using any of these:

- MacBook or other Apple laptop
- iMac or other Apple desktop

and you have downloaded the latest version of Safari, **please do not use it**. Instead, please use Chrome.

Step 1 - getting ready – special camera and microphone test, takes 3 mins, please do it a little time before. If you leave it till the last moment, we may not have time to assist you.

Make sure your camera and microphone are working. Log out of any other applications.

Do the test here. Allow time to do this, if it doesn't

work, contact support@realbridge.online tell them your computer (PC, MacBook, iMac, Android tablet) and your browser(Chrome, Edge, Opera, Safari).

Step 2 - in order to play on RealBridge)

Just click the link below. Put in your **full real name**, and click **login**. No ID is needed, just leave that blank (although, for REAL games, players input the EBU number).

- If you have a partner, sit at table 1 to 10.
- If you are looking for a partner, sit at tables 12 to 20

Sit at a table (by clicking **Sit E**, for example). Please familiarise yourself with the buttons, and click the settings icon to choose options that will suit you.

Information you need to read: List of computers and browsers which can be used
There are some constraints on the type of device you can use to access RealBridge:
