

## **No Fear Pairs**

**Saturday 7<sup>th</sup> March starting at 1.30pm**

**Much Birch Community Hall**

**This competition is intended for players with little or no experience of bridge competitions outside of their bridge club. As such there are restrictions as to entry based on Master Points and National Grading Scheme (NGS). It is an ideal opportunity for players with some experience of County competitions to partner with someone with no such experience.**

**The pairs must have an average NGS ranking of 9 or less (that is a combined NGS grade that does not exceed 106%) and every player must have a master point ranking lower than Regional Master.**

**(Note: non EBU members automatically meet this criteria.)**

Like all HBA restricted events, non-EBU members and members of other counties are invited to enter (with no dual membership fee).

The organisers reserve the right to not accept entries from pairs who do not conform to the spirit of the event.

Bidding systems are limited to level 2 (this includes the variations on Acol or Benjamin that people normally use for club bridge. The main things excluded are multi openings and 2NT opening showing both minors.) Please contact Chris Chowney (details below) if you need confirmation that you are eligible to enter. Players NGS rankings are normally shown under a club session results page on Bridgewebs, as well as in My EBU.

You can enter, using this form, by post or email, or you can enter online on the HBA website.

Cheques for £10 (for the pair) should be made payable to HBA. Or you can pay by bank transfer to account name Herefordshire Bridge Association, Account No 00325024, Sort Code 30-94-14, with "No Fear Pairs" in the reference field. The entry must also be confirmed by post or email (or by entry on the website).
