Secretaries Report 2024-25

Marjorie Lukyn Charity A disappointing £968 (£1,143 last year) was collected for the charity, 'Mudlarks' in Hertford. The donation was rounded up to £1,100 by the committee.

The charity selected for 2025-26 is GRIT. The charity was proposed by Claire Powell who wrote in her submission: "I would like to nominate a North Herts based charity, GRIT Growing Resilience in Teens. I was a co-founder and now Trustee of this charity. We support Teens with mental health issues, we are inclusive and we are able to offer support quickly. We use non contact boxing and coaching, using boxing as a metaphor for life.

Our story and a lot more information is on our website

We work in the community and in secondary schools across Hitchin and Letchworth.
