

Dear Robert,

On behalf of everyone at DENS, I am writing to thank you, and everyone at Hertfordshire Bridge Association for your very generous donation of £1,482.72 from the Marjorie Lukyn Trophy. We really appreciate your support of DENS and your thoughtfulness for those individuals who are most in need during these difficult times when demand on our services is higher than ever.

So far this year we have provided housing to 141 local people, including 28 who have previously been rough sleeping. In addition, our Foodbank provided food parcels to 1128 local people, including 438 children.

Your kind donation of £1,482.72 will be vital in ensuring we can continue to meet this demand, and support the most vulnerable people in our community. In fact, this amount could help us to distribute 816 three-day food parcels for a family of four; ensuring nobody in Dacorum goes hungry during this pandemic.

With lockdown restrictions set to be lifted, we're excited to be reopening our Open Space and Social Enterprise Projects to help socially excluded individuals to take the next positive step in their lives.

Thank you once again for your donation. Your support is very much appreciated as we look ahead to recovering and rebuilding in 2021 and beyond.

With very best wishes,

Hannah Bowden
