Key Points from HBA COMMITTEE MEETING - Mon 14th Aug 2017

KP1 : 24 delegates registered for New Laws Seminar on 20th Aug.

KP2 : Our application to the EBU to change the September Green Point Weekend to a Congress has been approved. The congress will be held one week before the Surrey Green Point Weekend. In 2018 it will be 15/16th September and in 2019 it will be 21/22nd September.

KP3 : Engagement with clubs is increasing. Regular news emails are being sent out and seem to be well received.

KP4 : Charitable donations were sent out at the end of June and letters of thanks have been received from Garden House Hospice Care and Michael Sobell Hospice.

KP5 : The July Green Point weekend produced about £1,000 more than last year so the likely overall loss for the year reported at the last meeting should now be around break even.

KP6 : The website now has a separate pages for each competition. Coming soon : names of competition entries, financial reports and lists of players for directors. A single page calendar will also be produced.

KP 7 : It was agreed not to hold a Really Easy competition at Welwyn this year but to consider for the following year.

Next committee meeting 26th Oct.
