

Bridge Basic II- Competitive Bidding

Fridays starting January 20, 2023 (7-week course)

Class meets weekly from 9:15AM – 11:15AM

In a typical session of duplicate bridge, the majority of matchpoints are won and lost in competitive auctions than in uncontested auctions. This course covers the concepts needed when both sides are bidding for the contract. It introduces the basic competitive bidding tools – preemptive opening bids, overcalls, and takeout doubles – as used in today’s game. This is a second course for players who have completed Beginner’s bridge lessons. It uses Audrey Grant’s Bridge Basics 2 – Competitive Bidding book. We will play several practice deals in each session. **Everyone is welcome!**
