CUEBIDS MADE EASY

Louise Fontecchio, ACBL Certified Instructor

January 11,18,25 & February 1,8,15 - 9:30 a.m.-11:30 a.m.

HOW USEFUL ARE CUEBIDS? The three tests before deciding to play a convention or treatment are:

1) what natural bid are you giving up?

2) How often will I need it?

3) Is it easy to remember and will partner recognize it?

Cuebids are bids of the opponent's suit…how hard is that to recognize as something odd? This class is for those advancing players who want to move forward and feel comfortable competing at any level.

COST: Six classes $150 includes the book, **"*Cuebids in a Nutshell"*** $**30 per class** The cost for partnerships taking the class together $250
