Our thoughts and prayers are with **Marlise Cusick** and family who recently lost her son-in-law.

The Ambassador for Bridge program is designed to recognize members who put forth extra effort to help JSOB become a pleasant place to play our wonderful game and provide leadership to help the club grow. If you would like to nominate someone as the next Ambassador for Bridge, please contact Burt O'Dell.

Tacos and Teams is no longer an “8 is enough” game. It is an open team game including 299ers.

From the President's Desk: Several people have asked to have the doors locked once the game has started. The directors will try to accommodate the request.

Please Be Scent-sitive: Some people have an extreme sensitivity to fragrance (colognes, perfumes, body wash, scented lotions, and scented hair products). Because duplicate bridge requires players to be in close proximity to each other, those who suffer from fragrance-related reactions cannot avoid those who are wearing them. Among the commonly reported symptoms are intense headaches (including migraines) or breathing related problems. For those who suffer from this sensitivity, the issue is more serious than simply disliking a certain smell. It is a real health problem. **JSOB has a policy forbidding the wearing of fragrances. Thank you for your cooperation.**

Local Charities Picked to receive proceeds of the 2019 Charity Games: Jacksonville Humane Society, Jewish Family Services, Feeding America
