Congratulations to Lynn Leisy, Ann Buchholz and John Brady who placed in the top 20 in their categories in the 2020 Mini-McKenney races, with over 500 master points each.

Congratulations, Christie Sellers and John Landry, who both achieved the rank of Diamond Life Master.

Thank you, Greg Euston, for donating a laptop computer.

Thank you, Ted Burns, for bringing orchids for Mother's Day and for removing trash from the property.

Our thoughts and prayers are with the family of **Billie Cagle** whose daughter **Terri** has passed away. Billie and Terri cleaned the club house and supported our sectionals.

Clive and his teammates won First Place in Flight B, accumulating 26.8 Gold Master Points. Ted, Don, Marty and Ed won First Place in Flight C and were awarded 20 Gold/Red Master Points. We will be cheering for you!

NAP Qualifier and Colored Points (Applicable to All Players, Including Beginners!): On June 3 the club is holding a North American Pairs (**NAP**) qualifying game. This is a national competition in which, if you qualify by doing well in the club game, you can play at the district level. (We are District 9, unit 128 of the ACBL.) The district contest will be held in October at a date TBA. The winner of the District 9 contest goes to the Nationals in Spring 2022 in Reno with a cash award to help defray expenses! More importantly to those striving to make [Life Master](#), **1/2 of the points awarded on June 3 will be red.**

For other colored point opportunities, check the club [calendar](#) and watch for **STaC** Games in August. They award silver points. In November, a [Regional Tournament](#) is scheduled in Daytona Beach. Gold

points will be awarded there in some games. Having participated in all of the above, I can attest that it is all great fun. All are attainable, and you can do it! Please feel free to call me anytime if you need more information. –Jan Madsen (904-610-1802)

Craig Hemphill has joined the JSOB Board, replacing Sharon Bushman, who resigned. You all know Craig as an excellent player who has given much to the club over the years. He has been a tireless supporter since we reopened, even bringing cupcakes! His teaching lessons have always been popular and well attended. His experience with the club dates back to its inception, so his historical perspective and knowledge of past crises will be valuable to us. Thank you, Craig, for once again donating your time and reaffirming your commitment to the Club and to the game that we all love. –Jan Madsen

Harold Elkins is now JSOB's Bookkeeper. Thank you, Harold, for taking on this important task.
