BRIDGE SEMINAR
DEVELOPING DEFENSIVE TRICKS

Saturday November 14 from 9:15 am to 12:15 pm
Heritage House in Riverside Park
Teacher – Brenda Mathews

A very important part of the game is defense; in the last seminar we discussed Defensive signals this seminar is a wonderful follow-up with defenders getting their entitled tricks with the help of signals and other techniques. This topic is again from the ACBL defense course (the course following the Bidding and Play of the Hand courses) and has lots of content to help you get tricks when you are defender. It is a topic for beginners as well as experienced players.

The following is the set of topics to be covered

- Taking Sure Tricks
- Promoting Tricks
- Establishing Long Suits
- Finessing
- Ruffing
- Bidding review of overcalls and takeout doubles
- Play the Hand review of managing your entries – preserving an entry and creating an entry.

There will be exercises that I will email to you before the seminar and there will be practice hands to try out what you have learned at the end of the seminar.

The cost will be $20.00 and I will bring coffee and Timbit's. I will accept eTransfer (use the same email as when registering **bmathews@tru.ca**) or cash or cheque, please pay when you register so I don't use precious time at the start of the seminar. There will be a minimum required to run the seminar and there is a maximum cutoff as well so register as soon as you can to ensure you get a spot.

To Register please email to **Brenda Mathews – bmathews@tru.ca**
