

## How to Use the Partnership Desk on BBO

Click on our game as if you were going to register. For example:

You will come to this screen:

Above where you would normally register, you will see a tab that says Partnership Desk. Click on this:

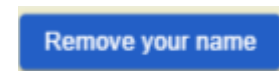

It will give you an option to "Add Your Name" to the desk:

I suggest that you click on "I will pay for only myself" because not many players will invite you to play if you click on "Partner must pay for me". As soon as you click on this, your name will be added.

If you change your mind, you can always remove your name, by clicking on your name in the Partnership Desk and clicking:

If someone is already in the Partnership Desk, you can click on their name and invite them to play.

Once you have invited someone, and they accept, you are both registered to play. You will not be charged BB\$ until you are registered to play.

A person who is waiting in the Partnership Desk has the ability and right to accept or decline an invitation.

If you put your name in the Partnership Desk, you must stay online so that you can receive an invitation to play.
