*When looking for partnerships please do not phone or text our partnership coordinator directly. Phone the club and leave a message on the machine, you will be contacted when a partner has been arranged for you.*

## Oh no, they're stepping down!

We are very sad to say that *Kay Loughlin* and *Gayle Seto* are stepping down as our I/N Mentor Game coordinators. They took over from Elaine Keho two years ago and are ready to hand the reins over to someone else. Thank you so much ladies for all your hard work and all the time, and the great baking, that you put in to make these nights such a great success!

## Looking for I/N Mentor night coordinator volunteers

We are looking for volunteers to take over the coordination of the I/N mentor night game (see why above). If you are interested please contact the club.

## Stac (Sectional Tournaments At Club) Fees

At the May Board meeting, the board voted to increase Stac Table fees from \$9 to \$10. Stac season is pretty much on hold for the summer, and the next available Stac probably won't be until August.

## Monthly Pass is gone

For those of you who bought the \$128 monthly pass, the pass will be disappearing at the end of August, so we will not be selling the pass for the month of September and onwards.
