### **Metropolitan Cup 2018**

I understand that Sussex will again be hosting the Metropolitan Cup at East Grinstead Sports centre. It is likely to be at the end of September , but I am awaiting further details. As a result of recommendations from me and others the format is changing to Teams of eight throughout the divisions , and each County will be allowed up to two teams in the "A", "B" and "C" Divisions. When more details are known I will advertise on the KCBA web-site for pairs to apply for selection.
