Tyler Hill Sunday 23rd February 2020 2:30pm Tyler Hill Memorial Hall, Summer Lane,  
Canterbury, CT2 9NJ

I will be directing at Tyler Hill and Stephen Brown at the others. We will be using Kent's boards, Bridgemates and scoring computers but the local club's tables and bidding boxes. 61 heats were held at clubs during November, December and January at which 440 pairs achieved qualifying scores. These will include some pairs who qualified twice and some players who qualified with more than one partner. There were 42 pairs where one or other player or both appear not to be Kent members. Apart from these, emails have been sent to all other qualifying pairs for whom we have at least one email address.

I intend to produce hard-copy letters for those pairs for whom we have no email address and for those where the email(s) bounced. I intend distribute these via the clubs.

23 pairs have indicated they will play at Farborough  
18 pairs have indicated they will play at Maidstone  
21 pairs have indicated they will play at Tunbridge Wells  
13 pairs have indicated they will play at Tyler Hill

The emails from the January heats have only gone out in the last few days. Apart from the hard-copy letters I will also send a follow up email to all those who have not responded
