

## **KCBA archives update report**

Report of changes to archive since last committee meeting, this is in addition to minor corrections or updates.

Two new articles have been added to the KCBA people section for Peter Crofts & Marie Horlock. It is still hoped that an article for Ian Ottley will be added but it has been delayed while details are obtained. In addition, some details have been obtained for future articles of current players.

The trophy winners & national successes have had all 2018 winners to date added. There are still quite a few missing Kent results in the former, especially from earlier years.

The KCBA history document had had a few more 2018 snippets added as well as a couple of earlier items, the revised version will be added to the website in due course.

The Pachabo results found to date for Kent has been added to the website & it is hoped that further details for the missing years can be obtained from the EBU.

Work has also started on listing Kent players who have played for England as well as all officers over the last 80 years. Provisional lists of all the people involved have been prepared & it is hoped that details will appear on website later this year.

Some progress has been made on recording details of old committee minutes.

Gerald Soper & Phil Jones
