

Larsky Report

As last year all clubs (apart from Thursday Evening) have been asked to hold heats. We have had more response this year with more clubs deciding on dates which suit them.

I have asked clubs to hold heats between 29th October and 11th January. We need to change the regulations to be less year-specific so that we can make sensible arrangements.

Clubs have asked that the following heats be advertised on the KCBA Website:

Otford Fri 16th November 7:30pm

Aces Wed 31st October 11:30am

Tenterden Wed 21st November 7:00pm

Beckenham Mon 29th October and Wed 12th December 7:25pm

The four Larsky semi-finals have been booked as follows:

Farnborough Monday 11th February

Tunbridge Wells Wednesday 13th February

Bekesbourne Sunday 17th February

Maidstone Tuesday 19th February

We still need to make a firm booking for the final. If we were to use the Civil Service Club in Maidstone we would not be able to start before 1pm and it would cost £130.
