

KCBA ARCHIVE REPORT FOR SEPTEMBER 2019

Report of changes to archive since last committee meeting.

In the KCBA people one more photograph has been added. An article has been added for Mike de Winter our president who died earlier this year. In addition, a draft article has been prepared for Steve Barnfield & the final version should be added to the archive shortly.

The trophy winners section has all 2019 winners to date added. One extra page has been added recording members of the winning Corbett Cup teams although unfortunately only about half of the teams from the last forty years have been found.

The National Successes section has also been updated with some 2019 performances & a couple of extra events have been added for the Summer Seniors Congress covering results from the last 10 years or so.

The KCBA history document had had a few more details added for 2019 and will be updated on the website shortly.

The KCBA officers section has been updated with the changes announced at this years AGM.

There are now over fourteen sections in the archive covering many different elements of our history over the last 80 years or so. Two new sections have been added into the archive on the website from elsewhere. The first is "Kent player news" which holds all the news re Kent players from the EBU magazines between 2006 & 2016. The second is "interesting hands" which at the moment only holds one hand from 2017.

The number of hits for KCBA archive on the website over the last three months has averaged well over 1,000 per month, in June was nearly 2,000 although in August it dropped just below 1,000. The most popular at present are "trophy winners" & "KCBA people" which average around 11 and 9 hits each per day respectively.
