

Treasurer's report 8th September 2019

There has been very little movement on the bank accounts since the AGM but the entry fees of the Dyer Smith, Congress and Arnold Cup have begun to dribble in.

The schedule of P2P receipts shows that after some years with a steady decline, for the first four months of this year they remained the same (£1899.72 in 2019: £1886.76 in 2020).
