

KCBA archives update report

Report of changes to archive since last committee meeting, this is in addition to minor corrections or updates.

Three new articles have been added to the KCBA people section, two for Colin Thame & Bill Bowen were mentioned in last report as being prepared. In addition one for Bert & Nora Haycocks has been written & added to the website. An article on Mike Buckley who was part of the team that dominated the Arnold Cup in 1960s has been prepared for future use. It is hoped that an article for Ian Ottley will be added in the near future.

The trophy winners section has had more 2017 winners added for the Kent Congress and Dyer Smith & Hunter Cups.

The new section which records successes of Kent players in national competitions over the last 80 years was added to the website around about the date of the last meeting. It has since been updated with a couple of omissions reported.

The KCBA history document has been updated to include some 2017 news plus a few extra pieces for earlier years.

At the moment no further progress has been made on the Pachabo results for Kent over the years but the results found to date will probably be added to website in the near future.
