

## **2019 Junior Bridge Camp - Saturday 6<sup>th</sup> and Sunday 7<sup>th</sup> July 2019.**

The Camp will be held at a new venue, [Bowles Rocks](#) activity centre. We have chosen it as last year's venue, Ardingly College, is unavailable, and Bowles Rocks will provide improved accommodation and food as well as better teaching facilities.

Naturally the focus of the camp will be on bridge, with the usual mixture of training, competition and fun. There will also be the opportunity to try one of a range of outdoor activities such as rock climbing, outdoor skiing or an adventure course with professional instructors, all included in the price. Parents and grandparents are once again welcome to accompany younger juniors and play bridge themselves.
