

Haberdashers' regains Schools Cup

The Young Bridge Challenge, organised by EBED, took place in Loughborough on Saturday 10th March with young players from schools from around the country taking part in bridge and minibridge competitions.

24 teams contested the bridge competition which started with a Swiss Teams, after which the top teams representing a single school went on to a knockout phase to contest the Schools Cup.

This was won by Senthur Shanmugarasa, Ben Lewis, Jack Ronayne, Kavinthan Vickneswaran from Haberdashers' Aske's Boys School. They beat the defending champions, Liam Sanderson, Theo Gillis, Oscar Selby & Carlos Lapuerta of Westminster School ([picture](#)), in the final. HABS B beat Reading in the third place playoff.

The remaining teams continued the Swiss Teams competition.
