

MAKING PAYMENTS TO KENT FOR SATURDAY REALBRIDGE EVENTS

If you play regularly on Saturdays it would be helpful if you could make payments of £10 or more at any time. The payments will be held in your name and the entry fees deducted each time you play, according to your instructions on the entry form. At any time a player may request the balance to be repaid. For one-off entries, it would be appreciated if one player pays £5 for the pair.

Internet bank payments should be sent to:

Kent Contract Bridge Association, Sort code: 30-96-31 Account number 02617393 Reference SM + surname, initial for Morning games

SA + surname, initial for Afternoon games

Payment for the Saturday games played on RealBridge in January and February should be received, before 10.00am for the morning sessions and before 2.30pm for the afternoon sessions, on the Friday before the event.

We are investigating alternative payment and recording systems, and advance notice will be given of any changes. At that time, any balance on your account will be repaid or transferred into the new payment system.

Please keep payments for any Sunday or other competition events separate and make a one of payment for these with the code list on its entry form e.g. SP for Swiss Pairs.

Prizes: If you play on RealBridge you get a game credit i.e. £2.50 per player. If you play on BBO you get a credit of \$3 to your BBO account.

Note:

The link for the Saturday 10am RealBridge event will be sent out on Friday evening. Links for the NGS 9 & below RealBridge event will be sent out by 9am Saturday

It is essential when entering to correctly spell names in the correct format (e.g. John Brown i.e. CAPS at start of each name) and to enter email address correctly, otherwise a player is not sent the link.
