

KCBA archives update report

Report of changes to archive since the July 2025 committee meeting.

There have been no major changes to the website archive in the last few months as our history has now been well documented.

Routine updating of various sections such as “Trophy Winners”, “National Successes”, “Officers” etc has continued and the website updated.

A new biography for Terry Goldmith has been added to the KCBA people section. So far, the biography has been accessed on over 150 occasions. There are now 55 biographies in the KCBA people section.

The Tollemache section has been updated and now all players from the 1972 qualifying to 2025 final have been recorded apart from the 2000 qualifying team where no record of the players has so far been found.

There has been some slow progress regarding old committee minutes (pre 2009) which it is hoped will eventually be added to the website. All minutes from 1958 to 5 July 1964 inclusive (mostly hand written) are now held in word documents. Paul has also scanned the 1997 & 1998 minutes.
