

KCBA archives update report

Report of changes to archive since the October 2025 committee meeting.

There have been no major changes to the website archive in the last few months as our history has now been well documented.

Routine updating of various sections such as “Trophy Winners”, “Tollemache”, “Officers” etc has continued and the website updated. All trophy winners up to December 2025 have been documented, although there are still a few gaps, especially before 1960, where the original records have not survived.

A couple of documents which only require occasional changes have been updated and the new versions will appear on the website in the near future. The documents are the KCBA History, which now has some recent news and events, and the KCBA Cups, which has the history of all Kent cups. In the latter details have just been found of the donation of the Aveling Trophy to KCBA over 70 years ago.

There has been some slow progress regarding old committee minutes (pre 2009) which it is hoped will eventually be added to the website. All minutes from 1958 to 4 July 1965 inclusive (mostly hand written) are now held in word documents.
