

TD Training on New Laws

The course for County Directors and Referees took place yesterday at Faversham (costs for hiring the room there were significantly less than at the Hilton).

8 TD attended.

Two courses for Club TDs have been arranged:

Sunday 17th September at Tunbridge Wells

Saturday 30th September at Faversham.

We currently have 16 registered for Tunbridge Wells and 18 for Faversham.

With these numbers we will be running simulations in 3 parallel groups and therefore need a County Director to assist myself and Stephen Brown at these events. The revised total estimated costs are £637.86.
