SUPPORTING PORCHLIGHT

Tyler Hill Bridge Club is delighted to help support Porchlight, Kent's largest charity for homeless and vulnerable people.

Porchlight is here for people who have nowhere to go and no-one to turn to. Some are living on the streets, others need support to prevent or resolve any issues that could put them at risk of homelessness.

Porchlight helps people with their housing, mental health, education and employment so they can get where they want to be in life.

Porchlight is striving for a fairer society where vulnerable people find stability, the most excluded are included, and where homelessness and poverty are things of the past.

The Club, after making the standard deductions to EBU, Stephen Brown, Chief Kent Tournament Director, and a specially reduced payment to BBO, will commit the monies raised to Porchlight.
