### **ITEM 12 AOB**

Paul Gibbons raised as to what type of competitions people would want to do. He mentioned that on the day before the meeting we had had a wonderful response to our two regular Saturday competitions. He mentioned that BBO was good at pairs other

types of competitions were more difficult. Did we want a virtual George Griffiths, or Corbett Cup and Plate; these were all possible. He asked whether those attending today not on the committee had any views on this. It was felt that the committee should discuss and decide at the next meeting.

Gerald Soper asked if we could email members for their views on this.

Stephen Brown said that he felt that we should continue with the two Saturday events and with the other competitions and should discuss at the next meeting. He felt that we could hold the final of the Larsky Cup online in September.

The Congress was discussed and it was felt that this could not be held in the normal way but that it could be held online and Stephen Brown felt that he and Paul Gibbons could run this successfully online.

How this would be paid for could be discussed at the next meeting.

Norman Inniss asked if we should do something before the congress and it was felt that this should be left for the committee to discuss at the next meeting.

Tony Owen asked about playing with his partner who was affiliated to Surrey and it was advised that he could become an associate member of Kent for £5.00.

There being no other business the meeting was closed by Norman Inniss.
