## BARBARA SEAGRAM

FOR A SPECIAL EVENT  
THIS SEASON

A Master Teacher, she and her husband, Alex Kornel are from Toronto and travel the world teaching bridge. Barbara is perhaps best known for co-authoring thirty-nine bridge books. In 2012, the ACBL named her number 40 on their list of 52 most influential bridge personalities. Barbara will be inducted into the ACBL Hall of Fame in July 2026. Along with Patti Lee, they have built and sustain 5 schools in remote villages in Cambodia and build toilets for government schools and water towers for health centers.

Barbara's presentations will be hands-on. You will play and then hands will be discussed in detail. Join us for these worthwhile bridge lessons.
