To request a partner for a particular session:

- a) Put a tick in the PR box alongside the event(s) you want to find a partner for
- b) Then at the top, choose what contact methods you want people to be able to use if they are interested in playing with you. You can choose one, two or three of the available contact methods, i.e. Email, Phone or Mobile. Note that ticking these boxes will make your number(s) and email address visible, but only to other members who have logged-on
- c) Click the Confirm button at the top of the screen and the system will register your request.

If you want to cancel your Partner Request for a particular session, just return to the screen and clear the tick(s) from the relevant session(s) and click the Confirm button at the top.

There are other ways you can see sessions where someone has already registered a partner request. They are accessible directly from the main Home Screen of the club Website.

One is on the left-hand side of the main screen and is labelled Find a Partner.

That will take you to a list of all the outstanding Partner Requests that have been registered. If you see someone on that list that you would want to play with, you can click on their name to send an Email or you can see the relevant phone number to call.

The other way you can get to the list is by looking at the Calendar of forthcoming events on the right-hand side of the screen. Any event with an outstanding partner request will show the text "(Partner?)" below the event details and you can click on that.
