- Saturday evening pairs will be split into a long & a short section.

The Team

Caroline Macpherson will be leading the seminars. A retired teacher by profession she has been playing the game at County level for a large number of years and teaching Bridge since retirement.

Jean Howard is the County Education Officer. She is a retired teacher/lecturer who has taught Bridge for many years.

Daphne Greatorex will be looking after the bookings this year together with the housekeeping. She is a retired IT specialist, also has teaching experience and directs and plays at many clubs in the Weston/Bridgwater area.

The Format

Each Seminar will focus on various techniques used in successful Declarer Play & Defence. They will be based on prepared hands with topics ranging from "Finding the right Opening Lead" to "Elimination & End Plays". As such they will be valuable to players of all ability.

Although play & defence will be the main focus, Bidding will not be neglected with plenty of discussion on the most effective auction to reach the optimum contract.

The Venue

King's School Bruton, BA10 0ED is a mixed boarding school in the centre of Bruton. We will be playing in the Memorial Hall, eating in the school cafeteria and staying in two boarding houses. All venues are less than a 5 minute walk apart.

The boarding houses are clean and comfortable but please do not expect en suite facilities! The cafeteria serves excellent food with a good choice available for all meals. There are of course local B&B's if you prefer.

Bruton is a lovely old mill town and now boasts the prestigious Hauser & Wirth gallery hosting amazing installations. Well worth a visit – free – and time is allowed for this on Saturday afternoon. The town too has several unusual interesting shops and a museum all within easy walking distance.
