Opener's Forcing Bids:

2Club Big Hand: Showing a big hand, including when to bid it with fewer than 22 pts; responses over the NT second bid; when to do a positive response.

Jump Shift: Show your 18+ pt. hand and find the right contract.

Reverses: Learn the importance of this bid that shows a strong hand and difference between a reverse and a jump shift.

Support Double (and redouble): - Show your three-card support when the opponent overcalls your partner and learn what Responder should then bid.

Side Suit Game Try: Use this strategy to possibly find the game and also clear up confusion about competition vs. invitation in a competitive auction.
