

The LCDBC Management Committee met on July 31, 2025

Present: Jimmy Reynolds, Steve Tuggle, David Hoogenberg, and Cindy Thomson  
Not present: Ellen (reported via email), Joan Montgomery (regrets), Melanie Wolski

The meeting was called to order at 12 noon.

June minutes were approved.

Agenda approved.

President Jimmy discussed the Supervised Bridge which will take place on Monday afternoons with a lesson at 1 followed by play. Jimmy will give the lesson and he and Neal Hayden will supervise the play of hands.

The club has the sanction for Monday games which can accommodate a 0-499 section, numbers allowing, when Monday games resume in the fall. It is hoped that the supervised playing students will participate in the Monday games.

Neal will handle emails and advertising.

We are fortunate to have several experienced and qualified teachers at the club, including MC members Jimmy and David.

Treasurer Steve will be paying the lease on Tuesday. The possibility of paying six months at a time will be discussed with Oscar, owner of Sol y Luna.

We continue to work with the accountant in establishing a digital signature for the Multiva account.

Club manager Ellen offered suggestions for running the Monday double session game. The Management Committee agreed that all should pay the regular game fee. Facilities Manager David has everything well in hand. Please see him if you notice a shortage of any item.

Secretary Cindy stated that membership stands at 90. She shared the table counts as requested and also addressed the drinking water issue. 8 water jugs were replaced. The issue was with the rinsing machine at the plant.

Member at large Joan is tasked with looking into a social at the club when she returns from holiday.

Respectfully submitted,  
Cindy Thomson
