

Butterworth Langley Trophy - Josephs Bowl Plate

(No Photograph of Trophy)

Brief History:

The Trophy was presented by Alan Langley in memory of his long-time partner Nigel Butterworth.

This is the 'Plate Competition' of the Josephs Bowl. All teams qualifying for round two but not reaching round four of the Josephs Bowl are automatically entered for this competition. The Butterworth Trophy will be organised as a multiple teams event. If the entry has to be split into two fields, the two leading teams will play off for the title at a later date.

This format was later modified to a KO event for Josephs Bowl first round losers. After the death of Alan Langley in 2013 the Trophy was re-dedicated as the Butterworth Langley Trophy for the 2014-15 competition.
