3. We will play at 7 minutes per round. It is expected that you will claim as soon as you possibly can. If the opponents are being slow call the director simply stating "slow play" and the Director will come and keep an eye on proceedings.
4. Your real name must be entered in your account profile, we all like to know who we are playing.

5. CONVENTION CARDS

While not insisting on convention cards here are a couple of videos that help you to fill in the BBO convention card. To complete a convention card click on the stock card closest to your system and edit.

6. SYSTEM THROUGH CHAT MANAGER

A good way of explaining your system to the opponents is to send out a brief description in table chat when you arrive at a new table.

7. IF YOUR OPPONENTS DO NOT ALERT

If your opponents do not announce their system and do not alert their bids assume that they are playing Acol with 4 card majors, 12-14 opening NT, weak twos in three suits and red suit transfers over 1NT opening. 2S over 1NT is 11/12 or strong and 2NT over 1NT is showing a weak long minor. Some players are not so good at the chat so find answering questions about systems difficult. Be patient. Please call the Director if bids outside of those just referred to have not been alerted and you feel you have been damaged.

8. APPEALS

Appeals should be made within 20 minutes of the end of play to the Director. LCBA normal appeals procedure will then apply.

9. BEST BEHAVIOUR AT BRIDGE

We expect players to abide by the normal EBU Best Behaviour At Bridge guidance.
