

Changes at Leixlip Bridge Club

Main competitions

In future 'main competitions', Master players can only qualify for 'session prizes' and 'overall bests'. Master players who do not qualify under these two categories will receive no prizes. If no Master qualifies under these two categories, there will be no Master prizes in the competition.

Player of The Year

In future, there will be no cash prize for 'Player of the Year'. Instead, as well as a prize for 'Most improved A Player', there will be an additional prize for the 'Most Improved B Player'. This is aimed at giving a better spread of prize money and encouraging players to improve their game. 'Player of the Year' winners already receive cash prizes in the various competitions during the year and the trophy engraved with their name is a great honour in itself.

New Members

Leixlip Bridge Club is now open for new members. While we will be advertising locally, if you have a friend who wants to play on Thursday nights you can let them know that we have vacancies in all grades and that we will make them welcome.

Promoting the club spirit

Leixlip Bridge Club was always noted for having a strong club spirit. Please be courteous when players come to the table - greet them, be friendly, welcoming and helpful. Be generous with sharing your knowledge, and help to improve the club's standard of bridge.
