**AS WELL** – I expect to add a Friday morning, 9:00 – 11:00, Pacific Time, Real Bridge game for newer and advancing newer players. A game almost like F2F bridge where you can see and talk to your partner and opponents. You may also receive help with your bidding and play. A great fun, relaxing game. No robots and a partner is not needed, a live one will be provided. The game should start around the middle of October.
