

# 2026 - Online SLAMS SLAMS SLAMS

## AND MORE SLAMS

**How to bid them and how to stay out of them.**

**Lesson 1** – Good hand evaluation

Ingredients for a slam

Blackwood and 1430

Stopping in 5NT

DOPI over interference

**Lesson 2** – Strong 2♣ opener and responses

Handling interference

**Lesson 3** - How and when to bid controls. You have enough points to be in slam but hold a useless doubleton. Blackwood and 1430 may not tell you if partner holds the ace or king/queen but controls will. Controls are vital in getting to low point slams and staying out of a slam.

**Lesson 4** – Gerber – When and when not to use Gerber.
