

**SLAMS**

**2026 – In Person**

**SLAMS**

**SLAMS**

**AND MORE SLAMS**

**How to bid them and how to stay out of them.**

**Lesson 1** – Good hand evaluation

Ingredients for a slam

Blackwood and 1430

Stopping in 5NT

DOPI over interference

**Lesson 2** – Strong 2♣ opener and responses

Handling interference

**Lesson 3** - How and when to bid controls. You have enough points to be in slam but hold a useless doubleton. Blackwood and 1430 may not tell you if partner holds the ace or king/queen but controls will. Controls are vital in getting to low point slams and staying out of a slam.

**Lesson 4** – Gerber – When and when not to use Gerber.

**NOTE: The lessons will be both in person and online.**

**This flyer is for in person – there will be a separate flyer for online.**

**Dates: Tuesday February 3, 10, 17 & March 3.**

**PLEASE NOTE: no lesson February 24 as the facility is not available.**

**Time: 10:00 a.m. – 12:00 p.m. PST**

**Cost: \$75.00**
