

In conjunction with the 0-99 game Diana will be offering, for all those needing a mentor, the opportunity to be mentored for 4-6 weeks. You will be seated at a table with four players and a mentor, playing set up hands that reflect what you have learned. You will be able to go over all the bidding and play with your mentor after each hand.

Also in conjunction with the 0-99 game and mentoring tables Diana will also be holding a F2F Fun Game which will cater to newer players needing a fair bit of help with their bidding and play.

MENTORING: Please contact Diana if you would like to be at a mentoring table. dknowles9@icloud.com or land line 250 491 4704
