

NEW – ONLINE – BRIDGE LESSONS

For Experienced Players

PLAY OF THE HAND – LEVEL 2

These exciting new classes will be covering the following:

Session 1 – Throw in plays (End Plays or sometimes called Elimination Plays)

How to get the opponents to play the card and or suit you want them to.

Session 2 – The Crossruff

The crossruff is a playing strategy where declarer plans to use all or most of their trump to ruff most or all of their losing cards, both in dummy and their hand.

Session 3 – Fun with Deception

This is a fun class on how to hoodwink the opponents with the cards you play. The essence of a good deceptive play is that the card might be genuine, or it might be a trap.

Session 4 – Hold-up Plays and out foxing the Danger Hand

The hold-up play can make either declarer or the defense grind their teeth in frustration along with the ability to keep the dangerous opponent off lead.

You will be able to play numerous hands using the wonderful technology of the Shark Bridge Consul. This allows me to give you a few minutes of instruction and then send you off to play the hands. Partners are not required.
