

Lincs League

We have twelve teams for the league. The cost is £20 per team, payable to Mike (the LCBA Treasurer). That is just £1 per player per session. The teams have been separated into two divisions based on the NGS ranks of the team members. Each team will play one match against the other teams, two at home and three away or vice versa. Matches of 24 boards are to be played in two stanzas, 12 against one pair and 12 against the other pair. The result in IMPs is to be converted to VPs. Results, including dates and names to be sent to Roy after each match or entered on the spreadsheet. The winner is the highest total VP score. Results will be uploaded to the EBU. The home team captain should initiate the match with the away team captain, by providing two alternative dates and times. The default timing for the five rounds of matches is:

Round 1: 15th August, Round 2: 31st August, Round 3: 15th September,
Round 4: 30th September, Round 5: 15th October.

However, captains may deviate from this, provided they complete all rounds by 30th October. The five rounds for each Division, with the home team being the first mentioned, are:

Tick Allow Kibizers, untick chat with players, untick allow undos, tick barometer scoring. (Players can set a double click confirmation for bidding and play in their account settings). Reserve seats must have home team BBO ID’s for Team 1, and away team BBO ID’s for Team 2 for the first 12 board stanza. For the second stanza of 12 boards, Team 1 should be the same, but team 2 must have the player orientation changed. The results spreadsheet URL follows, but you may need to click on the “Lincs Virtual League” tab to see it.
